

# Caesia

3 bed / 2 bath

Area: 197m<sup>2</sup>

This home is designed for lifestyle sized sites like Reserve on Redgate and celebrates the beauty of humble materials and the process of making. Favouring simple built forms, the house functions around a large central courtyard, contrasting solid walls with glazed openings and timber claddings. The expressive use of vertical colourbond cladding gives the exterior a minimalist and sharp character, demonstrating how simplicity in shapes can define a beautiful structure.
